

Christian Aid Week 13th – 19th May

Continuing a 20+ years' tradition of supporting 'Churches Together' in Timperley with Christian Aid week a small team from St Hugh & St John has helped collect for Christian Aid with great success during the past 8 years. Christian Aid operates in parallel with CAFOD and is aligned with it on Christian values and ethics. They support each other often in difficult circumstances and sometimes cooperate on projects with aid going straight through local churches, so it all gets there.

Christian Aid collects from doorsteps across the whole of UK during one week every May and so receives monies from people from all walks of life. Those who have collected regularly find it a privilege to walk up a path with the Christian Aid bag because it is demonstrating publicly one practical aspect of being a Christian.

Fr Pat says:

We are grateful to the helpers who volunteer every year to help with the Christian Aid collection, **but we are in need of more people.** Graham Boothman, who normally comes each year, is convalescing at the moment from illness and won't be able to come for the week of 13th – 19th May. It is important to play our part for other churches in Timperley.

Please let us know if you are willing to help with the door to door collection by contacting the parish office on 0161 973 1694.
