

Caritas Shrewsbury
Volunteers Needed at The Well Project
St Aidan's Centre, Wythenshawe

Volunteers are needed to help with childcare and catering on Tuesdays and Thursdays. Details given below.

The Project needs a childcare or play specialist to help set up the toys and to supervise play for the children who attend on Tuesdays (12-2) and Thursdays (10-12). The children remain the responsibility of their parents, who are in the same room, but an extra pair of eyes helps the parents to be able to take part in the activities.

Also needed is a volunteer to make the tea and coffee, prepare the lunch (which is usually putting something pre-prepared in the oven) and clear up after lunch on Tuesdays (again at St Aidan's Centre). We need someone who is available 11:30-2:30.
