

Elevation of Tabernacle.

- Amber glass square margin detail.
- Sanctuary wall to be replastered and then redecorated with a cream coloured finish. Stencil decorated horizontal bands with gold and buff interlocking circles link the tabernacle recess to the banners either side.
- Etched glass cross within glazed panel.
- New Scottish Buff sandstone Tabernacle recess surround. Recess to have gold finish with gold perimeter banding.
- Bronze finish to pull handles.
- Existing Altar to be relocated centrally on the extended Dias.
- New oak skirting board.
- Carpeted Dias and steps with gold coloured nosings.

New American Oak Main Entrance Doors.

Note:  
The existing glazed panels either side of the doorway are to be retained but the timber is to be rubbed down and restained with opaque stain to match the finish on the new doors.
